### THE GODDESS OF LIBERTY

**Patriotic Cantata**  
By CAMILLE W. ZECKWER Price \$1.00  
This Patriotic Cantata for Soprano, Alto, Tenor and Bass solos  
together with chorus and orchestra is rather an elaborate and  
interesting work, consisting in all of twenty-one numbers. The  
poem is based on a series of incidents connected with the making  
of the nation. Some of these incidents are: The Arrival of the  
Mayflower, Pocahontas and John Alden, The Boston Tea Party, Paul  
Revere's Ride and Valley Forge. There is also very brilliant choral  
writing and brilliant work for the solo voice. This cantata should be  
used by all musical societies of any size and some pretention.
